Dear Cyril,

Thanks for the copies of your correspondence with Chittum, Griggs and Mastalski.

If we have further correspondence about them, which I doubt, I have those letters filed by those names.

I watched what I could of the Simpson case TV reporting because it was so much like the defects and errors of the JFK, King and Robert Kennedy cases.

In so many ways!

Those of your appearances we caught, and some I happened to pick up on radio when I was driving, ~~we~~ were the very best!

You made so much so very comprehensible.

And pointed out meanings no others we saw did!

Best wishes,

Harold
